EnergyPro Insulation was founded by Gary Grecco in 2008. It is based on Staten Island and has satellite offices in New York City boroughs of Manhattan & Queens. **EnergyPro is a Certified Minority Enterprise (MBE) in Both NYC & NYS.**

The senior staff has been working in the construction field for an aggregate total of over 75 years. We have a particular focus on High Performance Buildings and Energy Efficient Designs. We are Partners with the New York State Energy Research and Development Authority (NYSERDA) in their Building Efficiency Programs.

We are a Licensed New York City General Contractor and Home Improvement Contractor.
